RE: Addendum 01

**All vendors are to accept the information contained herein as the official response of IPTC.**

**TO ALL BIDDERS OF RECORD AND TO WHOM IT MAY CONCERN:**

This Addendum is being issued prior to the date for receiving proposals.

This Addendum forms a part of the Contract Documents and modifies the original Request for Proposal as noted below and shall be incorporated into the Contract Documents. All other provisions of the RFP, released November 5, 2009, shall remain unchanged.

This Addendum is issued in accordance with the provisions of Section 3 of the Request for Proposal document. All Proposals shall be based upon work as modified by this Addendum.

Acknowledge receipt of this Addendum on the Acknowledgement of Amendment Form. Failure to do so will result in disqualification of the Bidder. This Addendum **does not** change the Proposal Due Date.

**Addendum Points:**

Addendum point #1: Addition of attachment # 5 to RFP 09-10-245, Vehicle Design. This is the wiring diagram and schematics for IndyGo's Transit-Master CAD/AVL system. (Addendum attachment #1)

Addendum point #2: Change to "Proposal Cost Form", page 11 of RFP, addition of fields to enter costs for each option year. (Addendum attachment #2)

Addendum point #3: From the RFP, pg#8-9 Titled "**The following process shall apply to all on-site service calls**": Bullet #6 states "Contractor's technician shall take any defective component /equipment with them and return to Trapeze ITS".
