*This year's inaugural golf outing will honor **Tommie Jones**, former IndyGo board member, and transit advocate. Her contributions brought transit in Indy to the next level with the addition of the Julia M. Carson Transit Center and the city's first Bus Rapid Transit Line. With the support of event chair and City-County **Councillor Monroe Gray**, this year's event is positioned to become a staple in our community and create mobility opportunities for so many that need it most.*
