To Whom It May Concern:

I, Kevin Robinson gained trust from customers who were willing to take a chance and purchase their janitorial/paper supplies. With their trust, I was able to develop RFS Group. LLC in 2006 in a small garage on the westside of Indianapolis. I utilized the 25 years of experience to start RFS Group. With this experience and respect, I was able to acquire customers such as Indy Go, which allowed me to gain further municipalities and I am truly grateful for them. I am very thankful for many Purchase Agents, who were not discouraged with RFS Group being a small minority business. Their confidence in RFS Group allowed us to grow to where we are today. Indy Go and RFS Group have developed a great partnership on our road to success, and they are an example of making it work and doing what their goals were.

Respectfully,

Kevin Robinson  
President
