2. Due to the desire for social distancing, it was decided not to hold a Pre-Bid meeting. Because of this, there was no list of attendees or DBE/XBE certified contractors.

We have received numerous requests from both Primes and Subcontractors, wanting to locate each other in order to meet the required percentage.

The following pages have been downloaded as an attachment on the website. This is a list of all who have downloaded the solicitation. In addition, those who IndyGo know are certified as DBE or XBE and are noted as such.

DBE (Disadvantaged Business Enterprise) certifications are utilized on federally funded projects. These are administered by INDOT. The City of Indianapolis Office of Minority and Women Business Development (OMWBD) MBE, WBE, VBE, and DOBE certifications as well as the Indiana Department of Administrations Division of Supplier Diversity MBE and WBE certifications are accepted on non-federally funded opportunities.
