IndyGo has rebranded Open Door to IndyGo Access; changes include updated logos and a fresh look for the buses. **New Look – New Name**

## **INDYGO ACCESS:**

The Americans with Disabilities Act of 1990 (ADA) was passed to remove barriers that have kept people with disabilities from fully participating in American society. The ADA states that IndyGo's fixed route bus service should be the primary means of public transportation for everyone, including people with disabilities.

Under the ADA, IndyGo Access provides transportation services for those who do not have the functional capability to ride IndyGo fixed route service. Eligibility for IndyGo Access is based on the disability's effects on the person's functional ability, sometimes or always preventing them from boarding, riding, and/or disembarking independently from a fully accessible fixed route bus. Disability alone does not qualify a person to ride IndyGo Access under the ADA.

## ***WHAT YOU NEED TO KNOW BEFORE RIDING INDYGO ACCESS***

### **HOW TO APPLY FOR INDYGO ACCESS:**

Interested applicants can visit the [IndyGo.net](http://IndyGo.net) website for "How To Ride." Select IndyGo Access to Accessible Services.

**How to Apply:** Under this section, you can complete an online form or download and print the forms. Two (2) Forms (Steps 1 & 2) must be completed. Interested applicants can also call IndyGo's Mobility Solutions Customer Care Center at 317-635-3344 and request the applications to be mailed.

### **INDYGO ACCESS ELIGIBILITY CERTIFICATION:**

Applications for paratransit service are available for pick up in person through IndyGo's Mobility Solutions Customer Care Center. Or by calling 317.635.3344 to request to have an application mailed or online at [IndyGo.net](http://IndyGo.net) under IndyGo Access.

Upon request, applications can be made available in alternate formats. Steps for IndyGo Access rider certification:

1. Complete the IndyGo Access application.
2. Have a physician or other healthcare or social service provider knowledgeable about your functional ability to ride public transportation complete the professional verification portion of the application.

3. Contact the Assessment Office at 317.614.9260 to schedule an in-person assessment upon completing the application.
4. Your physician or other healthcare or social service provider may return the form to you or send it directly to the Assessment office. The fax number and mailing address are listed on the assessment forms.
5. All forms must be signed and dated.
6. Paratransit customers' eligibility must be recertified at periodic intervals. You will receive a letter from the Mobility Services team before your services expire.

### **INDYGO ACCESS IN-PERSON INTERVIEW:**

Once the Assessment office receives the two (2) completed forms, one of the assessment team members will contact you to schedule an in-person interview. All interviews must be scheduled in advance. IndyGo Access can provide transportation to and from the assessment interview on an IndyGo Access shared-ride vehicle at no cost to you. In-person functional assessments will occur at the Mobility Solutions Customer Care Center at 2425 West Michigan Street, Indianapolis, Indiana 46222.

At the in-person interview, an assessment team member will review your application and discuss the disability or health condition that affects your functional ability to use IndyGo's fixed route service. An eligibility determination focuses solely on your functional ability to independently use IndyGo's fixed route system. It is not based on a medical diagnosis or type of disability.

### **NOTIFICATION OF ELIGIBILITY:**

IndyGo Access will determine your eligibility within 21 days of your in-person interview and notify you of the decision in writing. You will receive an IndyGo Access ID card by mail if approved.

You are responsible for having your IndyGo Access ID for every trip. You will need to show the driver. Should you lose your IndyGo Access ID card, the replacement cost is \$5.00.

You have the right to appeal if your IndyGo Access application is denied. Appeals must be made in writing and received within 30 days of the IndyGo Access decision. Appeals must be sent to:

**IndyGo Access, Attention: Assessments**

**2425 W. Michigan Street  
Indianapolis, IN 46222**

## **SERVICE AREA AND HOURS:**

IndyGo Access operates seven (7) days a week throughout Marion County and has the same hours as the local fixed route service. Like IndyGo's fixed route local service, IndyGo Access will operate on a Sunday schedule for the following holidays:

- New Year's Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Christmas Day

## **BEYOND ADA:**

Effective January 1, 2023, the boundary for the Beyond the ADA service profile will be the area in Marion County outside the required ADA area, defined as  $\frac{3}{4}$ -mile on either side of an IndyGo fixed route, as revised occasionally.

Trips to, from, or within the ADA Beyond service area are premium services that operate at a higher fare and adjusted schedule.

Start times will be with the first pull out of fixed route and end service at 10:00 pm Monday through Saturday and 8:00 pm on Sundays and holidays for only Beyond ADA premium service.

Beyond ADA, service areas may be subject to capacity constraints. Although IndyGo Access will make every effort to accommodate all trip requests and same-day transportation service, IndyGo Access will exercise its ability to deny trips when the capacity to serve the non-ADA area becomes constrained.
