

# Dear Partners & Sponsors

As I reflect on our 5th Annual IndyGo Foundation Golf Outing, I am filled with enormous gratitude for a vast network of friends and supporters who are passionate about accessible, equitable, and inclusive public transportation in Marion County. On September 25, 2025, 175 golfers, volunteers, and staff members descended upon Eagle Creek Golf Club to champion the mission of IndyGo Foundation.

Your resounding generosity exceeded all expectations and the event raised \$84,500 to connect IndyGo riders to jobs, education, healthcare, and more. These funds ensure that individuals without access to transportation receive the basic right of mobility around our vibrant city.

I share my deep appreciation for your commitment to local philanthropy, public transit, and the IndyGo Foundation. We look forward to seeing you on the course next year!

Sincerely,

Emily Meaux, MPA Executive Director
