Indianapolis Public Transportation Corporation Equal Employment Opportunity Policy Statement

Indianapolis Public Transportation Corporation (IPTC) is committed to the community we serve and our employees. As an equal opportunity employer, we strive for a workforce that reflects the community. No person shall be unlawfully excluded from employment opportunities based on race, color, religion, national origin, sex (including gender identity, sexual orientation, and pregnancy), age, genetic information, disability, veteran status, or other protected class.

IPTC's Equal Employment Opportunity (EEO) policy applies to all employment actions, including but not limited to recruitment, hiring, selection for training, promotion, transfer, demotion, layoff, termination, rates of pay, or other forms of compensation.

All applicants and employees have the right to file complaints alleging discrimination. Retaliation against an individual who files a charge or complaint of discrimination, participates in an employment discrimination proceeding (such as an investigation or lawsuit) or otherwise engages in protected activity is strictly prohibited and will not be tolerated.

IPTC is committed to providing reasonable accommodations to applicants and employees who need them due to a disability or to practice or observe their religion, absent undue hardship.

As IPTC's President and CEO, I maintain overall responsibility and accountability for IPTC's compliance with its EEO Policy and Plan. To ensure day-to-day management, including program preparation, monitoring, and complaint investigation, I have appointed LaKesha Triggs, Senior Associate Counsel, as IPTC's EEO Officer. The EEO Officer reports directly to me and acts with my authority with all levels of management, labor unions, and employees.

All IPTC executives, management, and supervisory personnel are responsible for implementing and monitoring IPTC's EEO Policy and Plan within their respective areas. They will be assigned specific tasks to ensure compliance is achieved. IPTC will evaluate its managers' and supervisors' performance on their successful implementation of IPTC's policies and procedures in the same way IPTC assesses their performance regarding other agency goals.

IPTC is committed to undertaking and developing a written nondiscrimination program that sets forth the policies, practices, and procedures, with goals and timetables, to which the agency is committed. The EEO Program is available for inspection by any employee or applicant for employment upon request.

I am personally dedicated to creating a workplace that fulfills its daily responsibility to treat all applicants and employees equitably with dignity and respect, and under the guidelines of our EEO Policy and Program.
