

INDIANAPOLIS PUBLIC TRANSPORTATION CORPORATION SECTION 5307/5339 PROGRAM OVERSIGHT GUIDE

CALENDAR YEAR 2026 NOTES

March 2026

National Transit Database Reporting

Every year, recipients of federal funding are required to submit reports to the National Transit Database (NTD). Reporting manuals can be found at: <https://www.transit.dot.gov/ntd>

Free training is offered by the National Transit Institute (NTI). See opportunities here: <https://www.transit.dot.gov/ntd/trainings-and-conferences>

Note that reports should be submitted based on the fiscal year of the subrecipient, which may differ from the vendor.

If there are any questions about NTD reporting, please do not hesitate to contact IndyGo or reach out to your NTD analyst.

Drug and Alcohol Testing and Reporting

Subrecipients and vendors used IndyGo's program for CY2025.

Thank you for your work in submitting your programs for CY2025. If any process or procedures change for next year's reporting, IndyGo will contact you.

Group TAM

For subrecipients participating in the IndyGo Group TAM Plan:

We need to update the Group Transit Asset Management (TAM) Plan by the end of 2026. IndyGo has met with current Group TAM participants and provided templates and a schedule for those participating.

For subrecipients not participating in IndyGo's Group TAM Plan:

Please ensure that you are completing the "Opt-Out" letter that IndyGo will send to your representatives via email. (This currently applies to Hendricks County.)

Scheduled Meetings for 2026

IndyGo will schedule quarterly meetings, beginning in early 2026, to provide a regular forum for the vendors. These discussions will include funding, outstanding concerns, and/or ideas to improve the program. Information & updates regarding these meetings will continue to be communicated via email.

Budget for CY2026

IndyGo will receive allocations for CY2027 in early CY2026. Once we receive the tables, we will distribute the information to the subrecipients as soon as possible to ensure proper budgeting.

Rollover Funds

Funds awarded for a calendar year may be used for future years.

Administrative Fees Waived

IPTC will not charge an administrative charge for the CY2026 grant. IPTC will continue to review the staffing effort for administrative assistance (and other support) to determine if this needs to change in future years.
